JOE'S "INTERVIEW" INTERESTING BUT ACTS REVEAL SOVIET POLICY

A first glance at Premier Stalin's Pravda "interview" might have suggested that Mr. Stalin was reading from the wrong script. Phrases like "policy of aggression" and "policy of unleashing a new war" are usually flung at his government, and with apparent good reason. Now he was flinging them back at the west, and a lot of people got excited about it.

But he did more than toss phrases. He also charged the American and British governments with breaking agreements. One charge referred to the arrangements made in Moscow on Aug. 30 for lifting the Berlin blockade and at the same time introducing the Soviet-zone mark as Berlin's only legal currency. The other referred to, or rather hinted at, a preliminary agreement on Berlin by the UN Security Council members in Paris.

Both these agreements, Mr. Stalin said, were declared "null and void" by the U. S. and Britain. He said that the two governments repudiated their representatives at the Moscow meetings in August and violated the agreement because they had decided to refer the question to the Security Council. He also implied that they wretched on the solution reached in Paris.

Those charges do not conform to the facts. The Moscow arrangement was subject to agreement by the military governors in Berlin. Marshal Sokolovsky, the Soviet commander, refused to live up to Moscow's end of the bargain outlined in the August meetings. It was only after that that the western governments announced their intention of turning the Berlin problem over to the UN.

Dr. Juan Bramuglia of Argentina, acting president of the Security Council, said that there was never any draft decision which was agreed to by the major powers and the six "neutral" governments which were trying to write a compromise resolution.

Mr. Stalin probably knew, when he made those charges, that they could and would be refuted. But the refutations would never be published in Russia, of course. So it is reasonable to assume that the whole thing was whipped up for home consumption.

The reason why the usually aloof premier let go with this blast may have been Mr. Vishinsky's rather sorry showing at the veto session of the Council. His excuses were lame, and hinged on the technicalities of precisely when the blockade should be lifted. He gave no indication that his government really wanted an agreement or that it intended to pursue the matter further. It wasn't a performance likely to impress anybody—even the Russian people.

That may be why the Soviet dictator cast aside his role of "good old Joe" and spoke of the west as he usually does for domestic audiences. About the only difference this time was that handouts of his question-and-answer session were given to representatives of the world's press assembled in Paris.

We doubt that the temperature of the cold war is really much different as a result of his charges. The hope of a German settlement is remote, just as it was before. But unless the Kremlin's strategy has been revised, any change in Russian policy will probably manifest itself in actions, not in speeches.

Two Routt High Students Picked For Navy Exams

Michael Kaler, 442 S. Mauvaisterre street, and Joe Murphy, 903 S. East street, seniors at the Routt high school, will take part in the competitive examinations to be offered on Dec. 11 by the Navy for its 1949 Naval Reserve Officers' Training Corps.

The NROTC program is open to male citizens of the United States between the ages of 17 and 21, and quotas have been assigned to each state and territory on the basis of its high school population. Those who pass the aptitude test will be interviewed and given physical examinations.

The names of the students found to be qualified in all respects will be submitted to state and territorial selection committees composed of prominent citizens and naval officers. The Navy expects to enter about 2,350 students into the program commencing with the fall term of college, 1949.

The students selected by the competitive examinations will be assigned to the 42 NROTC units which are located in various universities and colleges in the United States. If accepted by the college, the students will have their 4-year college program paid by the government.

Upon graduation they may be commissioned as officers in the Regular Navy of Marine Corps and will be required to serve on active duty for two years. At the end of this time they may continue in the service or transfer to the reserves and return to civilian life.

Brother Of Local Army Recruiting Officer Is Killed

Sergeant Guy Symmonds, 232 W. State street, local army recruiting officer, has received word that his brother, Major Harry Symmonds, 35, was killed in Korea last Monday.

Major Symmonds, whose home was at Bellefonte, Penna., has been in Korea about a year and a half, having gone to that theater after serving four years in active service in the European theater during World War II.

Besides Sergeant Symmonds, he is survived by his parents, Mr. and Mrs. J. E. Symmonds of Bellefonte; his widow and two children; a brother, W. A. Symmonds, also of Bellefonte; two sisters, Mrs. Edgar Mallory, Pleasant Gap, Penna., and Miss Ruth Symmonds, Bellefonte.

World Community Day To Be Held By Church Women

The program for the World Community observance by the Jacksonville Council of Church Women will include a supper to be served by the women of the Bethel A. M. church at the Congregational church Thursday at 6:15 p.m. This will be followed by the dedication of the "Pack-A-Towel" suits.

Mrs. L. E. Ballou will preside, and Mrs. Edwin Garfield will be program chairman. Miss Elizabeth Nelms will sing, accompanied by Mrs. G. O. Webster. The speaker will be Miss Mabel Head of New York, official observer of the United Nations for Women. Anyone who cannot come for the supper is cordially invited to come at seven for the program.

SOUTHERN BAPTIST SEMINARY IN SWITZERLAND
Zurich, Switzerland.—(P)—The Southern Baptist convention of the United States has purchased a 50-room mansion in the Zurich suburb of Ruschlikon, for use as a theological seminary for European students.
The seminary, to be opened next year, will accommodate 25 students, mainly from Italy, Romania, Bulgaria, Spain, Yugoslavia and Hungary.
A faculty is currently being assembled and two of the future professors are now studying in Zurich. They are Dr. John Allen Moore, former professor at Baylor University, Waco, Tex., who has also served as a missionary in Yugoslavia, and Dr. John Wash Watts Jr., former professor at the Southern Baptist Seminary in New Orleans, La.
The recently-established European Baptist Federation is to cooperate with the Southern Baptist convention in maintaining the seminary.

Parties Given At Glasgow During Halloween Season

Glasgow—The Halloween season was observed in Glasgow over the past week end by the following events:

The Glasgow Baptist Sunday school held their annual Halloween party in the church basement Saturday evening, with a nice crowd attending. The majority of those present were in masquerade, adding much spirit to the occasion. Prizes were awarded the following: Under 12: Ugliest costume, Audrey Nichol-

son; prettiest, Gail Sherwin; funniest, Arthur Lee Oswald; comic, Jeanne Bowman. Over 12: Ugliest costume, Miss Minerva Baxter; prettiest, Miss Roberta Hester; funniest, Dale Blair; comic, Royce Savage. Judges were Mrs. J. L. Star, Mrs. Burley Barnett and Mrs. Ann Lewis. Following the judging, games were played and refreshments were served.

The Glasgow B. Y. F. group of young people held their Halloween party in the Baptist church basement Friday evening, with those present enjoying an evening of games and refreshments. Masquerading was optional.

The Glasgow school and all surrounding rural schools observed the Halloween season Friday with programs, games and refreshments.

The invitational Halloween dance,

held in the Cumbly Hall Saturday night, was largely attended.

Give Attendance Awards

Attendance awards in the form of boxes of candy were presented Cloyd Young and Arthur Lee Oswald during the regular Baptist Sunday school hour Sunday morning, as both held perfect attendance records for the past year.

The Sunday school voted Sunday morning to adopt the use of attendance award pins, with the records starting Oct. 1st of this year.

The Zion's Neck Community Club held its regular meeting for October recently at the schoolhouse, west of Glasgow, with a pot-luck supper preceding the program.

Mrs. Clarence Adams served as temporary chairman in the absence of Mrs. Florence Young. The local teacher there, Mrs. Florence Young, gave a talk concerning the P.T.A. meetings. A short program was given and bingo was played.

Next meeting of the Club will be Nov. 18, with a special feature being the showing of pictures of the Columbia Seed Corn Co.

NORTH OAKLAND CLUB SELECTS PRESIDENT

Janet Brown was elected president of the new North Oakland school book club during a recent organization meeting.

Other new officers are: Betty Lou Hoots, vice president and Donald Allen, secretary.

Kenneth Hoots and Leonard and James Allen were named to the program committee. Those taking part in the first program Bessie and Betty Bourn, Rollin Martin, Shirley Hoots, Kenneth Hoots, Marilyn Servoss, Julia Allen, Evalena Hoots, Betty Lou Hoots, Janet Brown, Robert Lee Brown, Grover Hoots, Darrell Sorrells and Floyd and Francis Lomelino.

Vows Exchanged By Jerseyville Girl, Pleasant Hill Man

Jerseyville—In a simple ceremony performed at the home of her parents, Miss Louise Hoffstetter of this city was married to Harry Smith, Jr. of Pleasant Hill. The Rev. Dale Harmon, pastor of the First Methodist church of Jerseyville, officiated at the single-ring service.

Mrs. James E. Cadle was her sister's attendant and James Inman of Jerseyville was best man for Mr. Smith. The bride, who is the daughter of Mr. and Mrs. George Hoffstetter, wore a one-piece costume designed with long, fitted sleeves and side-draped skirt. The bodice was of light gray crepe with a darker gray forming the remainder of the dress. Her feathered hat was also of gray and she used black for her other accessories.

Her only ornament was a strand of pearls and her corsage was composed of orchids.

Mrs. Carle's dress was of brown crepe fashioned along fitted lines with bracelet length sleeves. Her accessories were cocoa brown and her corsage was of yellow rosebuds.

Mr. and Mrs. Smith left later in the afternoon for a wedding trip to Florida and Cuba and upon their return will establish their home in Pleasant Hill. For traveling Mrs. Smith chose a green suit dress with which she wore a white ermine hat and black accessories and her bridal corsage.

Man Who Bought Car Here Nabbed On Check Charge

Sheriff Ralph Bourn and Deputy John Irlam, left Wednesday for Beloit, Kansas, to return a car to its owner in this city and to bring back a man said to have had the car when it was recovered.

According to sheriff's officials the car is the property of the Walker Motor company in this city.

Several weeks ago, the officials said, a man went to the local automobile dealer and made arrangements to purchase a new Studebaker Commander. He gave his name as J. F. Reddish and said he wished to trade in an old car, but that he had left the title to this vehicle at Winchester. He asked that he be permitted to drive the new car to Winchester. After writing a check on a local bank for the amount of the sales tax he was permitted to take the new car for the drive to Winchester.

When he failed to return an investigation was started.

A check revealed that the car Reddish left at the motor company was owned by a man in California and had been loaned to Reddish to make the trip to Winchester.

A call was put out on the police radio and Reddish was picked up at Beloit, Kansas, and the car recovered.

State's Attorney W. L. Fay prepared a warrant for Reddish charging him with uttering a check with intent to defraud.

The check was issued on a local bank which returned it with the notation that Reddish did not have an account there.

An employee of the Walker Motor Sales accompanied the sheriff to Beloit to return the car to this city.

A sweetheart for a winter start!

Want to get off to a good start? Then let your nearest Conoco Mileage Merchant steer you right. . .

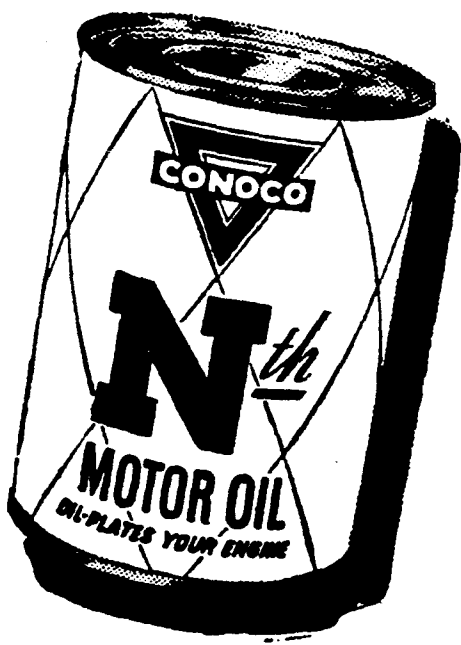

He'll tell you that when it comes to fast, smooth winter starts, a lot depends on having the right kind of oil in your engine. He'll tell you, too, the right oil is winter-grade Conoco Nth Motor Oil.

First, because Conoco Nth winter-grade Motor Oil is specially refined for cold-

weather performance. It's lighter... freer-flowing. Saves wear on your battery because it gives you faster starts.

And second, Nth oil extra-protects against "dry" friction starts... saves wear on engine parts... because it contains a special added ingredient that actually OIL-PLATES metal surfaces.

So, if you want to start off right—and right off—the next wintry morning...

Make a date to Oil-Plate!

Prosperity Slicks Up U. S. Farmer

High Food Prices Are Taking Off His Long-Handled Underwear and Putting Plumbing Inside His House

An American farmer totes up his new prosperity. In terms of his house, it's revolutionary.

By DOUGLAS LARSEN
NEA Staff Correspondent

Washington—(NEA)—High food prices are taking long-handled underwear off the American farmer and putting the plumbing inside his house. Those are just two of the many significant changes which have taken place in the lives of U. S. farmers since they have been struck with prosperity.

What has happened to the farmer during the past couple of years and where he is headed for was the subject of a recent "Outlook" conference sponsored by the Department of Agriculture. Farmers from all over the U. S. were on hand to put in their two-cents worth and to get information.

The changing clothing habits of American farmers were revealed by a special Department of Agriculture survey. It shows that the younger and more prosperous farmers are abandoning long underwear, and instead, buying undershirts and undershirts. It shows also that the younger farmers are getting away from overalls and coveralls as work clothing. They are taking more to jackets and sweaters.

For dress clothing, American farmers are buying a higher percentage of business suits, sports jackets, sweaters and slacks and white shirts for their wardrobe. The young men are also wearing slippers around the house more than their elders ever did.

In the female apparel department it was revealed that farm ladies are rapidly catching up with their city sisters in the use of "store-bought," ready-made summer slips, summer street dresses, house dresses and short-sleeved blouses. Among the city women-folk it was discovered that 83 per cent buy ready-made summer street dresses. Of the rural ladies, 70 per cent buy them ready-made. This is said to be a tremendous increase for the latter group.

And American farm families in general are catching up with the

dress habits of the city folk. The average city family spent about the same for new clothing in 1947 as it did in 1946. During that same period farm families spent one-fifth more for new clothing.

What farm prosperity has done to the farmer's house is in the nature of a small revolution. From 1940 to 1947 the number of farm-houses with modern bathrooms nearly doubled, and more than a million were supplied with running water for the first time.

There still is a long way to go, however, as far as farm housing is concerned. Two-thirds of all farm-houses still have no running water and four-fifths do not have a modern bathroom.

The buying of more medical care for themselves and their families was another spending increase discovered. Among a special group of rural families used for the survey, more than two and one-half times as much money went for doctor bills and medicine last year than it did in 1940.

Before the war it was estimated that the farmer spent about six per cent of his total income for house furnishings. Last year among the test group it was discovered that 14

Election News Brings

Stock Market Slump

New York, Nov. 3—(AP)—The stock market greeted the Democratic victory today with one of the sharpest declines in several years. Losses of fractions to more than 5 points were scored by key issues. A rally developed soon after the initial burst of selling wore off but it was not decisive.

Heavy trading took place before noon, then activity tended to dry up later. Many pivotal issues opened more than one hour after the start of trading on the exchange. Big blocks of such shares as U. S. Steel, Bethlehem, Chrysler, General Motors and Standard Oil (NJ) were marked down sharply.

The early delay in opening so many issues was almost without precedent in stock exchange operations. Selling orders were so heavy that it took time for the specialist in the stock concerned to match them with buying orders. Sales in the first hour alone totaled nearly 1,000,000 shares and in the second half about an even 1,000,000.

U. S. Steel cracked 4 points on an opening transaction of 15,000 shares. A modest recovery took place and then another relapse. General Motors started 4 1/2 points lower and later recovered around one point. Others lower included National Steel, Chrysler, U. S. Rubber, Montgomery Ward, Caterpillar Tractor, American Telephone, Consolidated Edison and General Electric. Bonds dropped with stocks.

Several Saxophone selections will be given by David Polzein. Serving on the program committee are Mr. and Mrs. O. E. Crain, Mr. and Mrs. Wm. Gaines, Mr. and Mrs. H. H. Polzein and Mr. and Mrs. Wm. Slater.

The refreshment committee consists of Mr. and Mrs. Dean Kehl, Mr. and Mrs. James Gardner, Mrs. Harriet Smith and Mr. Wm. Casey.

Swiss See Red

About Wine

Geneva—(AP)—Switzerland's white wine fanciers are gurgling indignantly over their glasses these days. With the country's vineyards bulging with a new crop of grapes and wine cellars still crowded with previous vintages, the federal council decided to get wine moving by permitting wineries to make red wine out of white. This is done by adding a little red wine to a lot of white wine.

The difficulty is that Switzerland produces twice as much white as red wine, but the hardy Swiss drink twice as much red as white. Before what has become known as the famous "Wine Action," Swiss cellars were nearly filled with about 60,000,000 liters of white wine. As the harvest approached, the federal council decided to act.

"The mixing of the wines was the only means available to get the wine moving," Federal Councillor Rodolphe Rubattel explained recently to Parliament. "There was no reason to doubt that the mixture would be accepted." The Swiss Tourist Agency, which keeps a close eye on such things, reviewed the situation and said: "Whoever has the nose and taste to tell the difference between a vintage and a mixed wine still has a rich selection."

CAROLINA TO VOTE ON

DIVORCES AND PARDONS

Columbia, S. C.—(AP)—Divorces and penal pardons will be before the people of South Carolina in the Nov. 2 general election for the first time since the 1895 state constitution was adopted. That constitution flatly bans divorces, gives the state's governors unlimited pardoning and parole powers.

Constitutional amendments up for a vote would permit divorces for desertion, physical cruelty, habitual drunkenness and adultery, and would strip governors of all pardoning powers but renews and commutations in death sentences.

A Frog He Would

A-Wooing Go

Gainesville, Fla.—(AP)—If a mama Whistling Frog has light brown stripes down her back and papa wears a dark brown shield, will their third son have stripes or a shield? Dr. C. J. Goin, assistant professor of biological sciences at the University of Florida, cares so much he:

Spent over \$1,000 on a 900-mile field trip to Jamaica; camped six weeks in the Jamaican Blue Mountains; and captured 2,500 frogs. Goin, now busy with an analysis of data gathered this summer on the American Academy of Arts and Sciences-sponsored trip, said the information had no economic value. "It is just an addition to the sum total of man's knowledge," he said.

He explained that the Whistling Frog (the Eleutherodactylus) is an unusual animal in that unlike other amphibians such as toads and salamanders its young is hatched on land; and instead of a croak it whistles, always on the same key.

As to any decision on the color pattern, Goin said his trip substantiated what he already thought: the patterns are inherited in much the same manner that eye color is inherited in humans.

Initials Guide

Indian Office

New Delhi—(AP)—Employees in the Indian secretariat speak a queer language—the language of initials. Watch their work for a while. You will not make head or tail of their instructions unless you have their initials initiated into the mysteries of their expressions.

"Send this to H.M.," they will say. It means only the honorable minister. "Place this file on D.S.'s table," they will harangue. It means only the deputy secretary number two of that particular ministry. "There are lots of such deputy secretaries. Joint secretaries, additional secretaries, under secretaries, assistant secretaries working under the secretaries of the various ministries."

MIGRANTS GO TO AUSTRALIA

Melbourne—(AP)—Another 5,000 European migrants are due to arrive in Australia this year. Five thousand displaced persons, mainly Balts and Poles, already have arrived. Fifteen nationalities will be represented in the new groups coming this year. Most of them, however, will be Balts, Ukrainians, White Russians, Czechs, and Yugoslavs.

Baptist Youth Fellowship Plans Future Activities

Future activities were outlined by the Baptist Youth Fellowship at its meeting held Sunday evening in the church parlors. In the absence of the president, Miss Mary Worrall, the meeting was presided over by the vice president.

Discussions for future meetings were arranged as follows: Nov. 7, special speaker; Nov. 14, Ken Gill; Nov. 21, Marjorie Morrison; Nov. 28, Barbara Craig; Dec. 5, special speaker; Dec. 12, Norma Davenport; Dec. 19, white gift Christmas; Dec. 26, Bill Malcomson.

Members are to bring food for the Thanksgiving baskets to each meeting until Nov. 21. It was also announced that the choir will meet Thursdays from 7 to 8 p.m. with Noel Roussey.

The topic of the evening, "Honesty," was presented in the form of a court of law by Miss Jane Morrison. She presented the case and the entire group acted as jurors. A poem entitled "Send Me" was read by Miss Marjorie Morrison.

Following the meeting, a party was given at the home of Bill Jarrett, 425 Caldwell street. Twenty-six young people were present, as were the Rev. Anderson from Ashland and the advisers, Dr. and Mrs. Perry Roberts. The Rev. Bromley was a guest.

An invitation to join this group is extended to all young people who wish to take part in M.Y.F. activities.

Congressman Simpson Returned To Office

Congressman Sid Simpson of Carrollton led the Republican ticket throughout the newly organized 20th Illinois Congressional district to win election by a majority of more than 3,000 votes. His opponent, Henry D. Sullivan of Quincy, carried only three counties, Adams, Brown and Pike.

SID SIMPSON

Simpson's home county, Greene, gave him an impressive majority, 1,005, while giving state and national Democratic candidates almost equivalent majorities.

Methodist Youth Institute Draws Attendance Of 91

The third meeting of the Methodist Youth Fall Institute was held at the Methodist church in Ashland on Monday evening, Nov. 1st, with 94 present. Centenary church of Jacksonville had the largest group with 23 present. Rev. Henry Higgins, the registrar, acted as Dean of the Institute.

The main speaker of the evening was Rev. Orval Bear, pastor of the Methodist church in Camp Point, Ill., who spoke on "Commitment To Christ through the M. Y. F." This was followed by a group discussion on "Problems of the M. Y. F." Other activities of the evening were group singing, led by Rev. James Kranz, the host pastor; recreation, in

Study Course To Be Inaugurated By P.T.A. Council

The Morgan County Parent Teachers Association Council met November 1 at Murrayville. John Deem, county superintendent of schools, and delegates from four units, Alexander, Franklin, Meredosia, and Murrayville, were present.

A study course about schools was begun and will be carried on at later meetings. All units in the county are invited to join; information may be obtained by writing to Mrs. Leonard Wood, president, Route 5, Jacksonville, to Mrs. W. G. Steinberg, secretary, Meredosia, or to Mrs. Paul Vannier, district director, Bluffs.

The next meeting will be at the Meredosia high school on January 3, at 7:30 p.m.

EMPORIUM

313 W. STATE

By Charles Bellatti

If we had gone into politics last week and had been lucky enough to foresee the biggest upset of the season, Truman over Dewey, our prognostications would undoubtedly have been the best in the land. As it was, we came up with 912 (31 winners and three losers), our second best showing of the year.

We came closer on more predictions than ever before, hitting I.S.D. and Indiana Deaf on the head and missing William and Mary and Richmond, Georgia Tech and Duke and Pittsburgh and Western Reserve by only one point. We came close on three others.

This week promises some toughies, but here we go:

JACKSONVILLE HIGH 27, HAVANA 7—If Coach Bob Kraushaar's Crimsons come out of their slump with a bang, and we think they will, the final might be even more one-sided. Beardstown swamped the Ducks last week.

LAKE FOREST 28, ILLINOIS COLLEGE 0—The Blueboys don't come out of their slump until next week's game with Elmhurst. Coach Al Miller isn't risking additional injuries, so the backfield won't be at top efficiency.

I.S.D. 13, IOWA 7—Although Iowa isn't as strong as Indiana, the Tigers probably won't play quite as good ball as they did at Indianapolis. If they do, you can add another touchdown to their margin. Their performance against the Silent Hoosiers was nothing short of terrific.

WAVERLY 14, DIVERNON 7—We've probably missed on Waverly predictions more than on others this season. Their injury list has been staggering and they probably would have almost a 500 record if their club had been intact for each start. Divernon is just resuming football, but still offers a considerable challenge.

And in the Illinois Valley conference:

ROODHOUSE 14, PLEASANT HILL 7—That's what the ratings show—One touchdown difference.

JERSEYVILLE 20, GREENFIELD 14—A real battle which should be much closer than many fans expect. Coach Don Luketich has plenty of potential power at Greenfield. Pinkfield Coach Glen Smith thinks highly of the Greene county gang despite his team's 33-0 victory over them. And remember, Jerseyville is no longer playing for the loon title.

WINCHESTER 13, CARROLLTON 7—Here's another close one, but the Wildcats are looking better by the present ratings. Also, they've been improving through much of the campaign.

PITTSFIELD 21, WHITE HALL 7—The Saukees are hot on the trail of another Illinois Valley conference championship. The Maroons won't sidetrack them, although they may give trouble for a while.

In the Big Nine:

ILLINOIS 21, IOWA 14—Despite the fact that the Hawkeyes have licked Ohio State and Wisconsin and that Illinois has lost to the Badgers, among others, Ray Eliot's outfit is coming up each week and will also dispose of either Ohio State or Northwestern before the end of the season.

MINNESOTA 14, PURDUE 0—The battered Boilemakers have really disappointed this season. Minnesota has run close to expectations and may win by more than 14.

NORTHWESTERN 21, WISCONSIN 7—Those Wildcats are smelling roses—the West Coast variety. The Badgers are a real fighting club since the "Good Bye Harry" incident, but they just don't have the material to pull an upset.

Elsewhere about the nation:

MICHIGAN 20, NAVY 0—The Wolverines have fumble-fits and won't pile up the terrific margin they might if this were a more crucial tilt. Truthfully, we don't believe the Big Nine defending champs care how much they down the Mid-dies, just as long as they win.

OHIO STATE 14, PITTSBURGH 7—Pitt has won five straight and has lost only to Notre Dame and SMU, but we still like Ohio State, despite a record which isn't as impressive.

NOTRE DAME 21, INDIANA 0—The Irish poured it on against Navy to prove their power. The Hoosiers aren't up to par and might just as well take it easy.

ARMY 28, STANFORD 7—The Cadets are strong and even the powerful Stanford defense won't stop them.

MICHIGAN STATE 28, MARQUETTE 0—Despite the Hilltoppers' good showing against Purdue, State is out after a Big Ten berth, and may get it if things continue in the present trend.

PENN 20, PENN STATE 14—Here's one which might be a fooler. The Eastern feature matches a pair of unbeaten clubs.

CORNELL 20, COLGATE 7—An easy victory for the Big Red, which was fortunate in defeating Columbia a week ago.

NEBRASKA 14, KANSAS STATE 7—Although they are having a losing season, the Cornhuskers have shown more power.

IOWA STATE 21, DRAKE 0—And maybe more.

HOLY CROSS 21, DUQUESNE 7—Duquesne has a lot of building to do.

GEORGIA TECH. 14, TENNESSEE 7—It might be worse if their weren't such a keen rivalry.

TULANE 20, VIRGINIA MILITARY 7—The Green Wave has been rolling along easily.

CALIFORNIA 20, U.C.L.A. 6—One of the toughest games of the regular season for the Golden Bears.

Some easy ones:

Alabama 28, Mississippi Southern 7

Brown 21, Western Reserve 0

Illinois Offense On Par With That Of Six Opponents

Champaign, Ill., Nov. 3—(P)—Illinois' double passing arm, Bernie Krueger and Tom Stewart, filled the airwaves so successfully against Michigan that the Illini are now on a par with their six opponents in average yards gained per play.

Illinois has picked up 1,508 yards by rushing and passing, while its foes have gained 1,590. But the Illini have made their yardage in 22 less plays than opponents, so Illinois and the opposition have averaged 4.1 yards a play.

Hit 53 Of 103

The Illini have tried 103 passes and completed 53 for 744 yards, with only six interceptions. Opponents have passed 75 times, for only 24 completions and 479 yards, also losing six by interception.

Krueger's brilliant 12-for-21 day against Michigan raised his season percentage to .530. Bernie has pitched for 447 yards and four touchdowns. Stewart threw once for a 40-yard completion against the Wolverines, and now has a .514 average and 297 yards gained by passes.

Leading receptionist for the Illini pliers is Walt Kersulis, 6-4 and 185, who has snagged 16 for 246 yards. Other fine pass-catching records are possessed by Tony Klimok, with 9 for 139 yards, and Mike Eddleman, with 8 for 131. Eddleman maintained his punting average at an even 41 yards for 36 kicks.

Running Attack Stalls

Illinois' running attack stuttered again at Michigan, and the Illini now trail opponents in rushing yardage, 1,111 to 764. Top average for Illini backs is 4.2 yards a try. Ruck Steger and Jack Pierce both showing that figure. Paul Patterson kept his average at 3.5, and made a touchdown that raised his Illini scoring leadership to 24 points. Krueger shows a net gain of only 4 yards for 18 tries, yet is second to Patterson with 18 points. All of Bernie's scores were on sneaks of a yard or less, and his rushing average has been dropped to virtually nil by losses while attempting to pass.

Michigan State Membership Bid May Reach Big 9

Chicago, Nov. 3—(P)—The Big Nine will learn whether its members favor new scholarship legislation affecting athletes and perhaps vote on Michigan State's membership bid at its annual winter meeting here, Dec. 10-13.

Unconfirmed reports have it that conference members recently weighed Michigan State's long-standing membership bid and that it will be brought to a vote at the winter session.

Because the football coaches will draft their 1950-51 schedules at the December convocation, it will be necessary to admit Michigan State at that time, or forget about the East Lansing, Mich., institution for three years.

The faculty representatives will hear a report on member reaction to the new scholarship code which sets exacting scholastic standards for athletes who seek financial aid.

Little Scrimmage In Buckeye Camp

Columbus, Ohio, Nov. 3—(P)—The Ohio State University football team put in an easy day today as far as scrimmages go, but worked up a sweat on the problems of throwing, catching, and stopping forward passes.

It's part of their drill for this Saturday's game here, with the Panthers of Pittsburgh coming to see if they can hang another defeat on the team that took Coach Wesley Fesler from them two years ago.

There was no scrimmage and may be none this week, but the Bucks drilled on protecting their own passers, then on pass defense, with the freshman team setting up Pittsburgh pass plays.

THEATRE PARTY FOR ANCHOR TAG GIRLS

The 50 girls who sold anchors during the "anchor sale" on Sat. Oct. 23, will be the guests at a theatre party Saturday afternoon at 1:15 given by Ship 112 of the Navy club. Free popcorn and candy bars will be presented to the girls.

The committee in charge of the arrangements for the theatre party includes Willis Roper, commandant; C. P. Siegfried, Sr., executive officer; and Raymond Hart, paymaster.

Toast slices of leftover packaged poundcake and serve with sliced bananas and caramel sauce for a scrumptious dessert.

PREPARE FOR NAVY

Ann Arbor, Mich., Nov. 3—(P)—Michigan's unbeaten Wolverines studied Navy plays in the rain this afternoon, setting up a defense against the attack expected from Coach George Sauer's Middies here Saturday.

POSTPONE GOLF MEET

Pinehurst, N.C., Nov. 3—(P)—Hard showers swept the Pinehurst Country club's No. 2 course today and forced postponement of the second round of the North and South Open Golf tournament.

Clemson 35, Furman 0; and Yale 40, Kings Point 0.

A few quickies:

BRENNAN AND SITKO RETURN TO IRISH

South Bend, Ind., Nov. 3—(P)—Notre Dame got a lift today with the return of left halfback Terry Brennan and right halfback Emil Sitko. Guard Bill Fischer was the only regular who missed the practice session. He is out with a wrenched knee.

Unknown Wildcat Jumps To Lead In Big 9 Rushing

Chicago, Nov. 3—(P)—Sophomore Johnny Miller, Northwestern's latest secret weapon, has jumped from the unknown ranks to the leading ball carrier of the Big Nine.

Just one game did it. The elusive 175 pound halfback who won All State honors at Chicago's Schurz High School, smashed through Ohio State Saturday for 120 yards in 14 tries. This boosted his four-game average to 6.9 in 21 carries.

Prior to this rampage against the big Buckeyes he was just another 20-year old youngster named Johnny. He was an understudy to Northwestern's speedy Frank Aschenbrenner, who was handicapped with an injury last Saturday.

Clark Loses Ground

Ohio State's Jimmy Clark, the previous rushing leader, gained only 41 yards against Northwestern and dropped to 4th place with 5.4. Wisconsin's Gene Evans with a 5.7 average and Jim Embach with 5.6, took over second and third. Incidentally, Miller will face his two Badger rivals at Madison Saturday.

Michigan's sensational Chuck Ortmann continued as the conference's top man on total offense. The sophomore halfback in four games has totaled 113 yards rushing and 371 passing for a 484 tally. George Tallaferra, the Indiana workhorse, is second on total offense with 402 yards, while Minnesota's Ev Faunce is next with 374.

Ortmann, who has a three yard rushing average, leads the passers with 19 completions in 36 attempts for 371 yards and four touchdowns. Illinois' Bernie Krueger has the most completions, 26, in 50 shots for a gain of 319 yards and two TDs.

Leading Receivers

The main receivers for these two aerialists also top the Big Nine in pass snagging. Michigan's Dick Rifenbuss has caught 11 for a gain of 253 yards and three touchdowns. Illinois' slip Kersulis has snared 10 for 150 yards but has yet to score. Both are ends.

Wisconsin is the leading rushing team with a 223 average while Ohio State is tops in total yards gained per game with 285.8—195 by rushing and 90.8 through the air.

Michigan is ahead in average yardage per play with 4.33 and Wisconsin with 4.29.

Illinois' Dwight Eddleman tops punters with a 41.2 average. Perini of Ohio State is second with 40.5.

Louis Vs. Conn In Windy City December 10

Chicago, Nv. 3—(P)—Joe Louis, world's heavyweight champion, is going to trade punches again with Billy Conn, who has emerged from a retirement forced by Louis two years ago.

Conn, who gave the champion a scare before the war, and the Brown Bomber who knocked him out in eight rounds when they clashed in a \$1,000,000 showdown in New York's Yankee Stadium in June, 1946, were matched today for a six round exhibition at the International Amphitheater Dec. 10.

The exhibition will be promoted by Frank E. Harmon, Chicago promoter and son of the late Paddy Harmon, builder of the \$6,000,000 Chicago Stadium. Harmon will submit the match to the Illinois State Athletic Commission for approval at its meeting next Monday.

Conn, still boyish looking despite his 31 years, said he had been training for a comeback and would try to knock Louis out. Marshall Miles, representing Louis, will insist on Conn signing for a return engagement in the event Conn wins by a knockout.

The exhibition will be the first ring appearance for Conn since he was flattened by Louis.

Conn said after this exhibition he will wage a serious campaign and hoped to meet a leading heavyweight challenger.

Defense-Offense For Iowa Eleven

Iowa City, Iowa, Nov. 3—(P)—Iowa continued the heavy pace of preparation for Illinois today with a double-barreled scrimmage session.

One varsity unit drilled on attack against a freshman team while another defended against Illini formations thrown at them by alternate reserve and frosh teams. Pass defense occupied the early part of the drill period.

PREPARE FOR NAVY

Ann Arbor, Mich., Nov. 3—(P)—Michigan's unbeaten Wolverines studied Navy plays in the rain this afternoon, setting up a defense against the attack expected from Coach George Sauer's Middies here Saturday.

Winchester At Carrollton Tonight

Coach Howard Lester's Winchester Wildcats, who play on Thursday about as often as on Friday, travel to Carrollton tonight for the first contest on this week's Illinois Valley conference card.

The Wildcats will be attempting to climb into a tie for top spot in the second division. Winchester's lone win has been over Pleasant Hill, while Carrollton has beaten the Hilltoppers and Roodhouse.

The game should be a dandy. Showings of the two clubs indicate a close battle.

All other Ivy outfits play tomorrow.

Jim Ford Leads Pass Receivers With 27 Caught

New York, Nov. 3—(P)—Jim Ford of Tulsa caught eight passes for 111 yards against Wichita last week to take over the national leadership in the pass receiving race, based on number of aerials caught.

Ford is the sixth different player to head the list in as many weeks since the season opened, reports the statistics bureau of the National Collegiate Athletic Association. His 27 catches place him two ahead of John O'Quinn of Wake Forest, a previous leader.

Others who enjoyed a one-week fling were Ben Proctor of Texas; Rudy Rupp of Oregon State; Jim Powell of Tennessee; and Scott Beasley of Nevada.

The yardage pace setter still is George Sulima of Boston University, who has traveled 429 yards on 19 catches. O'Quinn stands second both in number of passes caught, and yardage gained, and shares the touchdown lead with Dick Rifenbuss of Michigan, each with five payoff catches.

Bill Boston of Montana State, Hall Haynes of Santa Clara and Charlie Justice of North Carolina remained one-two-three in the national punt race over the past weekend. Boston has averaged 44.7 yards on 19 boots.

PURDUE ROSTER STILL DOUBTFUL

Lafayette, Ind., Nov. 3—(P)—The personnel of Purdue's traveling squad for the Minnesota game Saturday remained uncertain today with three halfbacks and several other players listed as doubtful.

The question-mark backs were Kenneth Gorgal, Norbert Adams and Neil Schmidt. Coach Stu Holcomb was still hopeful that they would be available for limited offensive action.

Hatchet Man

Bill Healey—six feet, 210 pounds—is the biggest man in the phenomenal Georgia Tech line that held unbeaten Georgia Tech's first five opponents, which includes Vanderbilt and Tulane, to total 14 points. Many of those who have seen the guard, who won the silver and bronze star during three years in the Army, consider him the nation's outstanding collegiate lineman.

Gopher Fullback Has Broken Leg, X-Rays Reveal

Minneapolis, Nov. 3—(P)—Minnesota's football workout today in preparation for Saturday's battle with Purdue was upset by announcement that fullback Bill Elliott has suffered a broken bone in his leg.

Elliott was just returning to action after being laid up for some time with a sprained ankle. He bumped his leg in practice Tuesday and said it bothered him. An X-ray showed a break in a small bone behind and below the knee, but Dr. George Hauser said a special cast may permit Elliott to run against the Boilemakers.

Meanwhile, Coach Bernie Bierman paced his charged through another fast drill on pass defense and offense.

Two Crucial Games Slated For Friday In Valley Loop

By Bill Chipman

Jerseyville—Outcome of Pittsfield-White Hall and Jerseyville-Greenfield frays this weekend should decide the 1948 standings of the top four teams in the Illinois Valley conference.

Pittsfield journeys to White Hall Friday night. If the Saukees get by this hurdle, they are assured of at least a tie, even if they lose their season finale to Winchester. No one expects the Wildcats to win.

Powerful Line

Coach Glen Smith's Indians boast a powerful line which will give them a decided edge over White Hall. The home club places main hopes on the fleet-footed Ken Barn, who is a great open field runner.

Coach E. V. Hall's high-flying Jerseyville eleven meets a stern test in Greenfield. The Tigers will be at home, playing before a homecoming crowd. And that can mean trouble.

Both Jerseyville and Greenfield defeated Roodhouse, and by almost identical scores. Greenfield won 46-14 and Jerseyville came out on top 46-13.

The Panthers have an edge in games won this season with a record of 6-1, compared with Greenfield's 4-3-1. The tie game, 13-13, was with White Hall, an eleven which Jerseyville defeated 33-13.

Game Tonight

Winchester opens the week's schedule at Carrollton in an evenly-matched game. Coach Lester's Wildcats have the better ground attack, but Carrollton has been a good passing club. The defensive play of Winchester would indicate a slight edge.

Roodhouse, hampered by injuries to key players, has found Valley teams mighty tough opponents. The Railroaders' lone loop win was over Winchester, 7-6, but the Campbell-coached aggregation should get back on the victory trail Friday afternoon, when it entertains Pleasant Hill, which hasn't won a tilt in two years.

Injured Flanker Works Out With Northwestern

Evanston, Ill., Nov. 3—(P)—Joe Zurevick, veteran end who broke his arm in practice, worked out with the Northwestern university football squad today as the Wildcats went through a long drill in a steady rain.

Zurevick has been wearing a cast on his arm for three weeks. He played seven minutes against Ohio State last week despite the injury.

A Northwestern defensive unit worked against Wisconsin plays as demonstrated by the junior varsity.

Curtail Contact In Grid Drills At Illinois U.

Champaign, Ill., Nov. 3—(P)—Fear of further injuries to an already handicapped Illinois football squad prompted Coach Ray Eliot to curtail contact work in today's practice session.

The top four Illini guards—Capt. Herb Siegert, Art Archer, Chuck Gottfried and Aldo Martignago—have been nursing injuries, but team physicians said they should be ready for the game with Iowa Saturday.

Sam Piazza, fleet sophomore halfback who missed the Michigan game, also will be ready to resume his left halfback duties.

Hebron Society Meets Yesterday

Mrs. William Robinson was welcomed into the Hebron Woman's Society of Christian Service at the meeting held Wednesday afternoon at the home of Mrs. Emmett Brown and Mrs. Kate Brown. The devotional subject, "Spiritual Conflict in Korea," was presented by Mrs. Albert Swain.

The group is planning to donate a box of magazines and books to the Faithback library in Paine College, Ga. Mrs. Marie Ward, promotion secretary, read an article, "His Work—Wonders with Faith and a Dime," which was written about the library. An interesting account of a Kentucky orphanage was given by Mrs. Elizabeth Ward.

Delicious refreshments were served by the hostesses. Guests included Mrs. Ray Hinton and son, Billy. The next meeting will be an all day session Dec. 1 at the home of Mrs. Lee Ward.

I. C. In Worse Shape Than Last Week

The Illinois college football team is in worse condition today than it was Thursday before last week's one-sided loss to James Millikin university.

Coach Al Miller of the Blueboys Wednesday afternoon painted a discouraging picture of what to expect in the Hilltoppers' CCI battle at Lake Forest Saturday afternoon.

Line casualties now include Paul Lasley, George Florence and Don Longer, three key members of the strong forward wall.

The backfield situation is still tense.

Bob Grove is O.K. Bill Gross may be a bit later.

But Dave Billings isn't even in uniform, Joe Hill is out and Art Wilson is still in bad shape. If any of these backs should return for the next game, they will be hampered by a long layoff.

Miller doesn't plan to take any chances against Lake Forest. He's going to save his injured players and muster I.C.'s forces for their next home game against Elmhurst.

A "No contact" policy has been followed this week in I.C. rehearsals. The Blueboys leave for the northern Illinois school Friday morning.

Jacksonville high school ad Illinois School for the Deaf both gave more encouraging reports.

Apparently no local players will miss weekend games involving either team.

Fanning, J.H.S. lineman, and Hood and Early, I.S.D. backs, were taking it easy due to minor injuries. Jacksonville plays at Havana Friday night. I.S.D. tackles Iowa Deaf here Saturday afternoon.

Football Pickers Create Nightmare For Denver Tailor

Denver, Nov. 3—(P)—The biggest football upset in the country last week didn't happen to a football team. It happened to Harry Bitman, Denver tailor.

Bitman, a small independent business man, was the victim of the most fantastic backfire in the history of football contests. He figures it will cost him \$22,248, enough to send most small businessmen into bankruptcy.

Bitman's firm, known as Harman Tailors, sponsors a weekly radio contest in which fans are offered free suits for the best predictions each week on the outcome of ten close football games.

The joker in the rules provides that all persons naming all ten winners will receive suits.

Last week, Bitman disclosed today, 412 persons picked all ten winners.

Bitman, who says he "didn't sleep for three nights" after getting the returns, figures that the \$22,248 worth of suits. Production of the garments will tie up his small factory for several weeks during the winter rush season. Normally it turns out only seven suits a day.

"I thought about cutting my throat," Bitman groaned, "then I talked with my attorney and he said there was a legal loophole. I could use to get out of paying off."

Going To Pay Off

"But I've spent five years building up my business and I figured I'd have to close if I welched on all those people. So they're all going to get the suits as fast as we can make them."

Bitman said he would put the names of the lucky fans in a bowl and make the suits for them in the order of the draw.

The contest started at the beginning of the football season. For five straight weeks not a single person made a perfect pick and Bitman happily paid off one suit a week to the fan coming the nearest to it.

Then, two weeks ago, nine persons picked all ten teams.

Once in a lifetime.

Bitman consulted Chet Nelson, sports editor of the Rocky Mountain News and the commentator on his weekly radio show.

"Aw, go ahead and give all nine guys their suits," Nelson advised. "A thing like that couldn't happen again in a lifetime."

Then, last week, came the deluge.

"Holy smokes!" Bitman hollered, "Denver has more football experts than any other city in the world. Who'd ever dream a thing like this could happen to me!"

These were the ten games on the unfortunate card:

Detroit-Villanova, Alabama-Georgia, Columbia-Cornell, Holy Cross-Harvard, Michigan-Illinois, Minnesota-Indiana, Kansas-Oklahoma A & M, UCLA-Nebraska, Northwestern-Ohio State, SMU-Texas.

"And there wasn't an upset in the bunch," Bitman complained. "That was a card that certainly suited a lot of Denver people."

Waltz into Darkness

BY WILLIAM IRISH

Time, 1850. Place, New Orleans. Louis Durand, 37, a well-to-do bachelor, has been corresponding with Miss Julia Russell, whom he has never seen. He has proposed marriage and she has accepted. According to her picture, Miss Russell is dark-haired, strong-featured and no longer young. Durand goes down to the dock to meet the boat that is to bring her from St. Louis. He is dumfounded when an exquisite young blond creature introduces herself as Julia. She explains her little deceit by saying she didn't want him to fall for just a pretty face. They are married and after a gay wedding supper, Durand takes his bride to the lavish new home he has built for her.

HE lifted her bodily in his arms. She came clear of the ground with a little noisy rustle of skirt bottoms, vacuum cleaners, lamps, toasters, other appliances. Prompt service. Merle Scott, 924 N. Prairie. Phone 121X. 10-23-1mo

Masked Bandit Robs, Slugs Scott County Woman On Route 106

Investigating officers had not learned late Wednesday night the identity of the masked bandit who robbed and slugged a Scott county farm woman after halting her car on Route 106 east of Winchester at 9 a.m. Wednesday.

The victim, Mrs. Frances Burnett of Rural Route Four, Winchester, was recovering at Our Saviour's hospital in this city. She was able to confer with police officials.

First Aid Course For Instructors Will Open Nov. 8

A Red Cross instructors' first aid course will be conducted the week of November 8-12 by Irvin Simone, water safety, first aid and accident prevention field representative from National Red Cross headquarters, midwestern area, St. Louis, Mo.

This course is for 15 hours and will be held each night, Monday through Friday, 7-10 p. m., in the Red Cross office in the Gibson building, East Morgan street. All persons who have passed the advanced first aid course during the past year and those who previously have taken the instructors course are eligible to enroll in this class.

Persons finishing the work are certified by national Red Cross headquarters to conduct Junior, Standard and Advanced courses in Red Cross First Aid. Physical education teachers, leaders of boys and girls youth groups should be especially interested in this course. No other instructors' first aid course will be given in the local Red Cross chapter for at least one year and perhaps it will be two years before such a course will be conducted in this community due to the inability to secure field representatives from national Red Cross headquarters to give the work. All persons interested should make an effort to join this class and register immediately in the Red Cross office, where further information can also be received.

10 Greene County 4-H Club Members Win Recognition

Carrollton — Ten Greene county 4-H club boys and girls have been named state outstanding members as a reward for the excellence of their over-all 4-H club records for the year 1948. The ten were selected by a committee of farm advisers and assistant advisers and the 4-H club staff at the University of Illinois College of Agriculture. These outstanding members are: Miss Betty Lou Finney, Miss Betty Lemons, Robert Kinser, W. R. Hobson, Philip Hobson, Miss Charlotte Hanly, Russell Finney, Jr., Donald Masters, Richard Reynolds and Bennett Roodhouse.

Also selected on the basis of an excellent record this year in one project were 14 boys and girls from Greene County who have been named state project honor members for 1948. They are: Miss Betty Lemons, Neal Twitchell, Bennett Roodhouse, Richard Reynolds, Donald Masters, Robert Kinser, Bob Everett, Miss Betty Lou Finney, Miss Mary Jane Finney, Russell Finney, Jr., Miss Charlotte Hanly, Philip Hobson, Roy Eugene Hobson and W. R. Hobson.

These 4-H club members were chosen on the merit of their records from among 237 4-H'ers of Greene County for their outstanding work in club projects, 4-H activities and leadership in other activities of their community and county.

Awards for these 23 selected members consist of a certificate of honor and eligibility for a state outstanding or project honor medal.

Winners of the various state 4-H honors, such as delegates to the National 4-H Club Congress and delegates to the National 4-H club camp in Washington, D. C. are selected from the group of state outstanding members.

The announcement of the above named winners was made Tuesday by W. H. Brown, Jr., county farm adviser.

Lutheran Guild Names Officers For Year Of '49

The 1949 officers of the Ladies Guild of the Salem Lutheran church were elected at a meeting held recently at the home of Mrs. Earl Boucher. Those chosen include Mrs. William Meyer, president; Mrs. Earl Boucher, vice president; Mrs. Harold Perib, secretary; and Mrs. Elmer Roegge, treasurer.

Mrs. Boucher presided at the meeting and devotions were led by Mrs. Leland Perib. The school report was given by Mrs. Wallace. Mrs. J. A. Long reported on the sick calls.

The group voted to donate \$20 to the Community Chest fund and \$25 to the Concordia Seminary of Springfield. They also gave \$10 to the Bethesda Home at Watertown, Wis. Mrs. Arthur Hallenberg, a new member, was welcomed into the club. Plans were also discussed for the Guild's annual bazaar to be held Nov. 18.

Scrap From Big Scrap Comes Home

Something over three years ago this steel scrap was shipped from the U.S. to Germany—in the form of cannon, shells, tanks, trucks and other material that helped lick the German Army. Now it's coming home to help cure the critical scrap shortage in America's steel mills. This cargo, first of 200,000 tons to come, is being unloaded at Port Richmond, near Philadelphia.

GM&O To Recognize Rural Youth Activities

Urbana—Rural Youth groups in 29 Illinois counties will focus attention on community service activities during 1949 as part of a new program outlined Wednesday by Dean H. P. Rusk of the University of Illinois College of Agriculture.

The new project, called "The Illinois Rural Youth community service achievement program," is sponsored by the agricultural extension service and the Gulf, Mobile & Ohio railroad as a means of recognizing the accomplishments of organized youth groups.

Philosophy of Social Science
"This cooperative program is designed to encourage a philosophy of social service among the rural young people of Illinois," Dean Rusk said. "It is our belief that county rural youth groups have an important part to play in the development of worth-while community activities. This program will give us an opportunity to express our appreciation for the work they are doing."

Achievement Awards
President J. B. Tigrett, of the G. M. & O., announced that all organized rural youth groups in the 29 counties served by the railroad would be eligible for achievement awards ranging from \$50 to \$100. These awards will be based upon an activities achievement rating determined by a state award committee. In addition to educational and community service work, groups will be rated on administrative and recreational activities.

"If these awards will help young Americans take a more active part in the civic and social lives of their communities, the achievement program will have served its purpose," President Tigrett said.

Monthly Reports Basis
Farm and home advisers in each county will supervise the project. Secretaries of the various Rural Youth groups will make monthly reports on the activities of their groups and these reports will serve as the basis for award ratings at the end of the year.

An additional award of \$100 will be made to the county group with the highest ratings.

Eligible west central Illinois counties include Morgan, Scott, Cass, Jersey, Calhoun, Macoupin, Sangamon and Greene.

THE NATION'S VOTE FOLLOWS THE LEAD OF ROUTT STUDENTS

The students of the Routt high school are more than satisfied with the result of the 1948 presidential election. In fact, they're almost sure that "As Routt goes, so goes the nation."

The cause of all the rejoicing is the straw vote that was taken recently at a school assembly sponsored by the economics and history class. In their "election" the students "re-elected" President Truman by a popular vote of 80-16 and an electoral vote of 34-0. Each home room cast one electoral vote.

Before the vote was taken the group heard from a student panel of which Michael Kaler was the chairman. The other members of the panel included Edward Lawless, who spoke on the importance of the 1948 election; Constance Foreman, appearing for Virginia McKinley who was ill, discussed the Republican and the G.O.P. candidate; Dorothy Sanner spoke on the Democratic platform and President Truman; and Vernon Tighe explained the electoral system.

Mrs. Flora Dorsey Dies Wednesday At White Hall

White Hall—Mrs. Flora Dorsey, 80, died at 1:30 o'clock Wednesday morning at her home here. Mrs. Dorsey, who, because of a fall, had been confined to her home for about a week, was born at Carthage, Ill., the daughter of Mr. and Mrs. William Booth.

A resident of White Hall for the past 12 years Mrs. Dorsey was an active member of the Methodist church and the Eastern Star. She and her husband, J. A. Dorsey, observed their 56th wedding anniversary Aug. 31. Besides her husband, she is survived by one brother, Charles Booth of Sherman, Tex., and several nieces and nephews.

The body was taken to the Dawdy funeral home at White Hall where funeral services will be held at 11 a.m. on Friday. The Rev. Charles Vandettum will officiate at 3 p. m. Friday.

A short service will also be held at 3 p.m. Friday at the Elms funeral home in Carthage. Burial will be in Carthage cemetery.

Sangamon Dinner To Mark Nursing Diamond Jubilee

Seventeen Jacksonville nurses will attend the Diamond Jubilee banquet celebration of District nine of the Illinois Nursing association, to be held Thursday afternoon at the Leland hotel in Springfield. The Diamond Jubilee is the nation-wide observance of 75 years of American nursing progress.

District nine consists of Scott, Morgan, Menard, Sangamon, Christian, Shelby, Moultrie, Macon, Platt and Mason counties will honor outstanding alumni members of six schools of nursing including Miss Mabel Reid and Miss Lucy Mount, graduates of the Passavant hospital school of nursing, and Miss Mary Magner and Miss Elizabeth Gorman, graduates of the 1922 class of Our Saviour's hospital school of nursing.

There are also 42 of the district's charter members living who will be guests at the banquet. Among them will be Mrs. Margaret Mount Brown, 1215 W. College street, who is a graduate of the Passavant hospital. Mrs. Brown will be one of the charter members to speak of the events leading up to the organization of the district, which took place in 1913 at the chapel of the Passavant hospital.

Four of the first officers of the district were Jacksonville nurses: Mrs. Ida V. Venner Rodgers, who was then the superintendent of nurses at Passavant, was elected president; Miss Alice Dalby was named recording secretary; Miss Lucy Mount, corresponding secretary; and Miss Mabel Reid, treasurer. The first vice president, Miss Cora L. Hearne, was from Springfield.

Those from Jacksonville who will attend the banquet are: Miss Edith Leeper, Mrs. Edna Greenier, Mrs. Bessie Spaulding, Mrs. Louise Meyer, Miss Aileen Keckler, Miss Betty Hall, Mrs. Margaret Mount, Mrs. Bernice Wright, Mrs. Abigail Joquin, Mrs. Lent Dixon Dietz, Mrs. Thelma Bethard, Mrs. Anna Hess, Miss Mabel Reid, Miss Mary Magner, Miss Ruth Heraty, Miss Charlotte Hull and Miss Lucetta Rentschler.

Miss Gloria Beard, a senior student at Passavant will model the student nurse's uniform of 1903.

During the next few months many of Jacksonville organizations will observe the Diamond Jubilee. Mrs. Mary Gobarud, president of the Illinois State Nurses' association, will speak at several of these celebrations.

Paintings By Guy To Be Displayed Through Month
An exhibition of 20 paintings by James Guy, head of the art department of MacMurray College, will be on display in Pfeiffer Library as a feature of the Fine Arts Conference held at MacMurray the last three days of this week. These paintings have just been returned from their New York showing at the Caribach Gallery.

The pictures have been selected to show the development of the artist during a 10-year period, from the fantastic illustrations of his reactions to the ghost towns of the West up to his latest adventures in abstract art.

"Ghost Town Paintings"
Four of the series "Fun in Ghost Town," which brought him much public acclaim, are in the present exhibition. The other eight bring in public and private collections throughout the country.

Mr. Guy's present works are clearly seen as a logical development in his search for pure form. As far back as "The Camouflage Man" of 1938, the strong formal organization of his pictures is as evident as the wealth of subject matter.

The conflict between the use of subject matter as the basic expression of his understanding of his time, and his intuitive need for a clear, pure expression is beginning to be felt in the pictures of industrial subjects of 1942 and 1943. Here the subject matter is becoming more and more symbolic, and in "Manhattan" it has almost entirely disappeared.

Here Through November
Mr. Guy's exhibition will remain on display for the month of November so as to give local art-lovers opportunity for a leisurely study of it.

Samuel Rodgers Dies Wednesday; Hurt In Accident

Waverly — Samuel William Rodgers, prominent Morgan county man, died in Springfield Wednesday as a result of injuries received when he was struck by an automobile on the Waverly square last Thursday.

Rodgers, a mechanic by trade, was widely known in west central Illinois. He was 89 years of age.

He was born in the state of New York February 24, 1859, son of the late James A. and Margaret Rodgers. Survivors include three daughters, Miss Stella at home, Mrs. O. C. Anderson of Waverly and Mrs. Charles Dikis of Springfield, and a brother, John, of Waverly. His wife preceded him in death.

The body is at the Neece Funeral Home here. Funeral information will be announced today.

Marigold Tag Sale For War Orphans All Day Saturday

One of the most important activities of the American War Dads is the annual nation-wide distribution of Marigold Tags, which will take place in Jacksonville on Saturday, Nov. 6. Tri-Y girls from the local high schools will officiate in the distribution, and will be on hand at the public square all day Saturday.

The proceeds of the annual sale which is under the supervision of Chapter 28 of the Jacksonville War Dads, is protected by laws which require that this money be used exclusively for the aid, benefit and relief of needy and disabled veterans and Christmas cheer for Gold Star children in each community, county or state. Proceeds from the Jacksonville sale will go toward the support of 32 children who lost their fathers during World War II.

All residents of Morgan County are asked to cooperate in achieving the success of this drive.

BRIDEGROOM STILL A POLICEMAN

La Junta, Colo.—(AP)—This highway patrolman was not above the call of duty even on his honeymoon trip. Officer David Hudson and his bride were driving out of town a half hour after the "I wills" when an approaching car swerved into a roadside ditch. Hudson stopped his car to lend a hand but found the other driver was not hurt. The honeymooners resumed their trip.

THANKS
I want to thank voters of Morgan County for support given me in Tuesday's election.

Ruth Stone Bride Of John Mullenix

Twilight Rites At St. Louis Unite Local Couple

Announcement has been made by Mr. and Mrs. J. Roy Stone of Versailles of the marriage of their daughter, Miss Ruth Eileen Stone, to John C. Mullenix, son of Mr. and Mrs. Robert E. Mullenix, 531 South Prairie street.

Mrs. John C. Mullenix

The marriage was solemnized in a candlelight ceremony which took place Wednesday evening at six o'clock at the Compton Heights Christian church in St. Louis, Mo. The vows were pledged in a single-ring service performed by the Rev. Thomas Underwood, pastor of the church.

Attending the couple were Miss Pauline Clanchan and Robert H. Erd, both of St. Louis.

For the wedding tip the bride chose a crepe dress of slate grey, with a neckline of matching pearls. Her accessories were of sable brown and she held a small white Bible with a single orchid.

Immediately following the ceremony a dinner for members of the wedding party was served at the Chase club in the Chase hotel.

The couple then left on a brief wedding trip. Upon returning, they will make their home at 423 West college avenue.

The bride has been employed by the Journal-Courier Company in this city for the past three years.

Mr. Mullenix, a veteran of World War II, served three and one-half years in the Southwest Pacific with the U. S. Navy. He is now employed by Casler and Stapleton Consulting Engineers.

Scout Fraternity To Be Organized At College Here

Illinois College will hold its first organizational meeting for a chapter of the Alpha Phi Omega, a fraternity composed of college and university men who are or have been affiliated with the Boy Scouts of America, Monday evening at 7:30 o'clock in Jones lecture hall.

Chapters of Alpha Phi Omega do not maintain houses, but the fraternity offers opportunity for fellowship and association with a group of scout-trained men, takes part in service projects which benefit others and bring satisfaction to the members, and develops leadership through officer and committee assignments. The Alpha Phi Omega does not compete with other college organizations and seeks the co-operations of other groups to broaden the scope of its service.

The requirements for membership are 1) previous training in scouting, 2) the desire to render service to others, and 3) a satisfactory scholastic record. By working with other school and civic groups the members will attempt to "develop friendship and promote service to humanity and to assemble college men in the fellowship of the scout oath and law."

The fraternity was formed in 1925 by a group of former scouts and is now found on 167 campuses in America, several of them in Illinois. All male students of I.C. are urged to attend the Monday night meeting. Mr. Edward B. Liljebald and Mr. Donald McDermott, national fraternity representatives, will be present to answer questions.

Library Display Marks American Education Week

The American Education Week display at the Jacksonville public library features books on education that should be of special interest to parents, the President's committee reports on high education and biographies of several outstanding teachers.

"Strengthening the Foundations of Freedom" is the theme for the 1948 observance, Nov. 7-13. It is sponsored by the National Education association, the American Legion, the U. S. Office of Education, and the National Congress of Parents and Teachers.

Among the books of interest to parents is "Pointers for Parents" by Reinhard Victor Lozier, a California pediatrician. The book is a simply written manual on child care, with the instructions plainly outlined so that the book can be consulted in case of emergency.

Another book, "Developing Your Child's Personality" by Gelolo McHugh, is a practical text for prospective parents and those caring for very young children. The book covers in detail the rudiments of child care and training.

"Mentor Graham" by Duncan and Nickols is the story of the man who taught Lincoln. The display of books about famous teachers also includes Beth B. Gilchrist's "Life of Mary Lyon", the life story of the founder of the Mt. Holyoke College.

Scout Fraternity To Be Organized At College Here

Illinois College will hold its first organizational meeting for a chapter of the Alpha Phi Omega, a fraternity composed of college and university men who are or have been affiliated with the Boy Scouts of America, Monday evening at 7:30 o'clock in Jones lecture hall.

Chapters of Alpha Phi Omega do not maintain houses, but the fraternity offers opportunity for fellowship and association with a group of scout-trained men, takes part in service projects which benefit others and bring satisfaction to the members, and develops leadership through officer and committee assignments. The Alpha Phi Omega does not compete with other college organizations and seeks the co-operations of other groups to broaden the scope of its service.

The requirements for membership are 1) previous training in scouting, 2) the desire to render service to others, and 3) a satisfactory scholastic record. By working with other school and civic groups the members will attempt to "develop friendship and promote service to humanity and to assemble college men in the fellowship of the scout oath and law."

The fraternity was formed in 1925 by a group of former scouts and is now found on 167 campuses in America, several of them in Illinois. All male students of I.C. are urged to attend the Monday night meeting. Mr. Edward B. Liljebald and Mr. Donald McDermott, national fraternity representatives, will be present to answer questions.

Paintings By Guy To Be Displayed Through Month

An exhibition of 20 paintings by James Guy, head of the art department of MacMurray College, will be on display in Pfeiffer Library as a feature of the Fine Arts Conference held at MacMurray the last three days of this week. These paintings have just been returned from their New York showing at the Caribach Gallery.

The pictures have been selected to show the development of the artist during a 10-year period, from the fantastic illustrations of his reactions to the ghost towns of the West up to his latest adventures in abstract art.

"Ghost Town Paintings"
Four of the series "Fun in Ghost Town," which brought him much public acclaim, are in the present exhibition. The other eight bring in public and private collections throughout the country.

Mr. Guy's present works are clearly seen as a logical development in his search for pure form. As far back as "The Camouflage Man" of 1938, the strong formal organization of his pictures is as evident as the wealth of subject matter.

The conflict between the use of subject matter as the basic expression of his understanding of his time, and his intuitive need for a clear, pure expression is beginning to be felt in the pictures of industrial subjects of 1942 and 1943. Here the subject matter is becoming more and more symbolic, and in "Manhattan" it has almost entirely disappeared.

Here Through November
Mr. Guy's exhibition will remain on display for the month of November so as to give local art-lovers opportunity for a leisurely study of it.

LOCAL SAD SACKS PLAN 'SCRIMMAGE'

The Saddest Sad Sack, L. S. Ruby, announces that the newly created Sad Sack organization, the fun group of the Amvets, will hold its first regular meeting Friday night at 7:30 at the Amvet club.

The Friday night meeting will be the first time that the official Sad Sack uniform, consisting of a burlap sack and stocking cap, will be used. At the meeting arrangements will be made for the first official initiation, the "scrimmage" to be held on the first Friday in December.

Our heartfelt thanks to all who extended comforting sympathy and help in our recent sorrow. For the beautiful service, floral offerings, and other kindnesses, we are deeply grateful.

"Backwards Party" At Wesley Chapel

The members of the Goodwill class of the Wesley Chapel were the guests of Mr. and Mrs. Pete Spangler at a combination Halloween and "backwards" party held Saturday night. The decorations and refreshments were appropriate for Halloween. The guests were the clothes backward, entered by the back door, and enjoyed the refreshments at the beginning of the party.

The November meeting of the Goodwill class will be held Friday, Nov. 5, at the home of Mrs. Ralph Crocker.
